

## 2015 National Patios ACT Khanacross Series

### Directions to Mt. Gounyan Station, Murrumbateman

- From Canberra take the Barton Highway towards Yass
- At the Murrumbateman Caltex Service Station zero your trip meter and continue towards Yass for approximately 5.6 kilometres
- **Turn Right** at Gounyan Road. **Note:** Gounyan Road turn-off is on the new section of highway. It has a turning lane but please take care with oncoming vehicles
- Follow Gounyan Road for approximately 3.3 kilometres
- At the end of the straight **Turn Left** into Vivian Lane. A grey stone and brick house is directly behind the intersection
- Continue for approximately 600 metres to three gates and a cattle grid
- **Turn Right** past the "Mt. Gounyan Station" sign and over the cattle grid. This is the first gate and it should be open. The farm is approximately 3 kilometres from Vivian Lane
- Follow the road as it winds around the paddocks and over the grids and through two gates. Keep your speeds down as this is a private road (sheep and cattle may be grazing on road). Leave the gates open
- **Please note that Gounyan Road and the private access road are gravel and are not suitable for low clearance vehicles. Normal height road cars will have no problems but the cattle grids may cause damage to vehicles that are very low**
- Car trailers will fit comfortably through each gate, however take care when moving through these to avoid damage
- If you get lost please call Mike on 0418 272 346
